Dear Mr. Rowen:

I want to thank you very much for the kind hospitality you extended to [REDACTED] and me during our recent trip to Washington, D.C. The discussions we had were very meaningful and I gained a lot of insight from them.

Although I am a researcher covering the U.S.-Japan relations from an economists viewpoint, I am trying to learn more and more about defense issues, since these issues are of vital importance to and closely intertwined with the bilateral economic relations. Given this background, you can understand why my trip with [REDACTED] was so enjoyable.

Thank you so much and I hope to see you again, soon. STAT

Yours truly,
